

18oz double walled stainless steel water bottles

Short description:	18oz double walled stainless steel personalised water bottles
Long description:	Reusable water bottles are just as popular as ever, especially custom printed water bottles like these. Vacuum insulated to keep drinks hot for up to 5 hours and cold for up to 15 hours, their 500ml capacity is great for keeping your hydration levels topped up on the daily. Made from double-walled, high-quality stainless steel for durability, our drinking bottles come in five different colours, including black, white, red, silver and blue. A leakproof screw-on lid protects against surprise spillages, while the exterior is specially designed to prevent condensation from forming. We use a 360-degree digital printing method to ensure your design wraps all the way around the water bottle for maximum impact.
