

Candles

Short description:

Custom candles in apothecary glass jar with three scent options

Long description:

It's always a good day to buy a candle, and now you can create and sell your own personalised candles online with Prodigi!

Made from clean-burning ingredients, including all-natural, hand-poured soy wax and a blend of premium fragrance oils, each custom candle comes with a choice of two scents: white tea and fig, or ocean mist and moss – see below for detailed fragrance notes.

Presented in a vintage-style, glass apothecary jar with a custom printed label, our print on demand candles have double cotton-corded wicks and a burn time of up to 65 hours. Once printed, we'll pack and dropship your personalised candle direct to your customer's door.

White Tea and Fig

This delicately scented white tea and fig candle features juicy citrus undertones paired with refreshing floral notes of white and green tea, rounded off with the essence of sweet fig.

Ocean Mist and Moss

Our ocean mist and moss candle is infused with the invigorating aroma of crashing turquoise waves and warm, golden sand, alongside hints of golden lilies, coral-like tea notes, aromatic musk, and a soft, mossy finish.

Care instructions:

Never leave candle burning unattended.

Burn candle on heat resistant surface, out of reach of children, pets, and flammable materials and away from other objects. Trim wick to 1/4" prior to lighting and as needed while candle is burning. Burn no longer than 4 hours at one time. Container will be hot when candle is lit. Always leave space between burning candles.

Allow to cool before re-lighting. Discard candle when 1/2" of unmelted wax remains. Avoid burning in draughty areas. Do not drop foreign matter or wick trimmings into candle. Failure to follow instructions could result in fire hazard or injury.

Packaging:

All shipments are white-label, with no Prodigy branding on the outer packaging or on any included paperwork.

- Rigid, corrugated cardboard boxes made from recycled materials.
