

Layflat photo book

Short description:	Custom hardcover books with layflat binding
Long description:	<p>Our layflat books offer a premium aesthetic with an added advantage: the pages open completely flat, preserving every detail without damaging the spine, enabling you to create stunning photo books with seamless, panoramic spreads.</p> <p>Available to order with a matte-laminate front cover, each layflat book comes with 18-122 pages and gloss-coated E-Photo Lustre paper, giving your content a polished feel. Choose from a range of sizes and orientations for a truly bespoke finish.</p> <p>We use a layflat binding method to allow your images to spread uninterrupted across two pages, offering a superior visual presentation.</p> <p>Printed in stunning, high-definition colour, we'll print and dropship your personalised photo album on demand to anywhere in the world.</p> <p>For optimal results with your layflat photo book, please review our file setup guidelines here.</p>
