

Box frames

Short description:

A modern design adding depth to your pictures

Long description:

Our box frame is milled from solid ash, hand-stained by our team and finished with a specialist wax to accentuate the grain. The frame has a box profile measuring 20mm (front face) by 33mm (depth from wall).

Available in black, white, brown or natural.

Choose from either a Float Glass, Perspex or Tru Vue Museum Glass glaze.

Please note: the size listed for each frame refers to the size of the glaze and does not include the width of the frame. For example, A4 prints without a mount will fit an A4 glaze exactly, but prints with a mount will be smaller than A4 to fit the mount window opening.
