

Canvas print with hanger

Short description:

Giclée canvas print with a solid wood hanger

Long description:

Showcase your art or photography with this elegant canvas print with hanger, combining the quality of our Giclée prints with the style and simplicity of our wooden poster hangers. Each piece features a Giclée canvas print with a solid wood hanger, creating a timeless, gallery-worthy presentation that's ready to hang.

Magnetic wooden strips hold your print securely in place without tearing or marking, while adding a warm, minimal finish. Each hanging kit contains four wooden strips and colour-coordinated hanging cords, making installation quick and easy. Choose from black, white or natural oak to complement any décor.

Our canvas prints are available in a range of sizes and can be ordered in both portrait and landscape orientations. The wooden strips cover up to 1.5cm of the print at the top and bottom, depending on your design's placement.

Prefer just the frame? Our wooden poster hangers – without canvas prints – are available to purchase separately for use with your own artwork.
