

Canvas wraps

Short description: Ready-to-hang custom wrapped canvas

Long description: A low-cost alternative to our popular Giclée canvas, this wrapped canvas is the perfect addition to any wall art store.

Finished to the same high standard as our bestselling canvas prints, our canvas wrap features pristine corner folds and a solid-front construction to help prevent sagging and stretching over time. Prodigi canvas wraps benefit from an in-built hanging system to the reverse for quick and easy installation. Our framed canvas wraps make for a great upsell, too.

Printed using UV and fade-resistant inks, images are recreated on ultra-smooth, natural white cotton canvas for a vibrant, matte finish. Available to order from the US, we'll print, pack and dropship your canvas wrapped prints to anywhere in the world.
