

Classic framed canvas

Short description:

Our bestselling satin-laminated classic frames paired with a Giclée canvas print

Long description:

Create custom canvas prints with our classic framed canvas, which combines two of our best-loved products: our classic frames and Giclée canvas.

Each canvas print is produced on our artist-grade cotton (400gsm) substrate using a Giclée fine art printing method for a museum-quality finish, before being hand-stretched over a 19mm slim canvas frame and encased in our satin-laminated classic frame.

Available to order in sizes ranging from 6x6" to 40x60", our classic framed canvases come with eight frame colour options: black, white, natural, antique silver, antique gold, light grey, dark grey and brown.
