

Clear case

Short description:

Lightweight design and co-mold protection

Long description:

Our clear personalised phone case is manufactured for durability to protect from bumps and scratches. This co-mold case is made from thermoplastic polyurethane and crystal polycarbonate making it sturdy and hard-wearing yet lightweight. The custom printed area is 2D and covers the whole back face of the device.

This cover has a slim form factor and is constructed to precisely match the dimensions of the devices to ensure a snug fit. This custom printed phone case has excellent shock absorbance and scratch resistance to protect against impact damage.

Features:

- Clear, open ports for connectivity
- Slim form factor and lightweight
- Co-mold case (Thermoplastic Polyurethane + Crystal Polycarbonate)
- Shock absorbant
- Scratch resistant
- Wireless charging-compatible
