

Desktop blocks

Short description: Custom wooden blocks ideal for modern artwork or photographs

Long description: Our wooden desktop photo blocks are ideal for displaying photographs without the need for a traditional picture frame. Reminiscent of a miniature box canvas, our chunky photo blocks have perfect edges with clean crisp lines.

Each personalised print is produced on high quality photo paper, before being mounted to a one inch thick MDF block, then embellished with black or white edging.

Choose from either a gloss, satin or matte laminate finish on your custom printed block.

Features:

- Solid, long lasting, chunky framed block print
- Perfect edges with clean crisp lines
- Great contemporary alternative to a traditional desktop picture frame
- Available in a gloss, satin or matt laminate finish
