

Eco rolled canvas

Short description:	Custom canvas prints made from recycled materials
Long description:	<p>Made from the exact same material as our popular eco canvas, which is produced entirely from recycled plastic bottles, our eco-friendly rolled canvas is ideal for those wanting to frame or stretch their own custom canvas prints.</p> <p>Part of our eco collection, these rolled canvas prints are available to order in sizes ranging from 4x6" through to 43x87" and have a luxetextured satin finish for a premium print quality.</p> <p>We recreate your designs using our 12-colour Giclée printing process to give your canvas art prints long-lasting vibrancy, depth and richness. Once printed, your finished print is dispatched in a double-walled square tube for added protection while in transit.</p>
