

Flexi phone case

Short description: Flexible and durable protective layer

Long description: Our flexi cases are slimline and low profile, fitting tightly around your smartphone. They are manufactured using a high quality TPU material which provides excellent shock absorption to protect against drop and impact damage.

This case features a high-quality full colour print with a beautiful satin finish, which is protected by a clear coat layer. The flexi combines protectivity and durability with a stylish slim fitting. Featuring clear, open ports for connectivity.
