

Framed cork pin boards

Short description: Custom cork boards

Long description: Expand your ecommerce home and living range with our custom pin boards – great for showcasing colourful designs, artwork and photos, or even transforming into personalised maps.

Made from 10mm thick cork to prevent push pins (included) from piercing through and scratching walls, each custom cork board comes framed and ready to hang. Their super-smooth, fine-grained texture provides the perfect printing surface, while the cork boards themselves are highly elastic and shatter resistant.

Using cutting-edge print technology, images are printed onto each pin board with UV inks for a vibrant, photorealistic finish.

Features:

- Extra-thick cork
- Includes 60 push pins in colours blue, white, red, yellow, green and black
- Comes framed and ready to hang
- Optimal texture for printing
- Elastic and resistant to shattering
- Great colour reproduction
