

Framed metallic foil prints

Short description:

Framed metallic prints with a gold or silver foil finish

Long description:

Elevate your wall art offering with our framed foil prints in gold or silver – perfect for displaying everything from graphic illustrations and abstract art to text-based designs.

Available to order in our satin-laminated classic frame or hand-stained box frame, complete with a protective Perspex glaze to minimise glare, this specialist new substrate is designed so that you can choose precisely where you want the gold or silver foil to appear in your custom image.

What's more, our advanced print technology puts us in a unique position to provide short print runs without any setup costs, enabling you to order custom foil prints as one-offs or in large quantities, both at scale and at speed. We can also produce prints sized up to a massive 40x40", giving you the flexibility to create and sell custom foil prints without limits.

Our framed foil art prints are made from a non-woven material with a polyester backing for a premium, heavyweight feel. They come in sizes ranging from 6x6" to 40x40" and are delivered ready to hang for speed and convenience.

Please note: Transparent areas in your artwork will show the material's gold or silver background.
