

Gildan 2800

Short description: 100% cotton polo shirt with a clean finished placket, reinforced bottom box and three fashionable woodtone buttons.

Long description: Part of the Gildan ultra cotton range, this Gildan 2800 custom polo shirt offers a heavier weight jersey knit tee perfect for printing onto.

With a classic fit design and three stylish woodtone buttons, this personalisable polo would make a great addition to any custom sports apparel brand.

The Gildan 2800 had a contoured welt collar and cuffs with side seam construction, to give the shirt a structured classic fit. It's been quarter turned to eliminate centre crease and preshrunk to minimise the risk of shrinking in the wash.

Double needle stitching has been used at the bottom hem to ensure durability.

We utilise our direct to garment print technology with eco friendly neo-pigment water-based inks, to produce your custom design ready for dropshipping in 72 hours.
