

Gildan 64400L

Short description: Long sleeve tee with a figure hugging fit and classic crew neck style. Made from a soft, stretchy ring-spun cotton.

Long description: A fitted, long sleeve t-shirt perfect for layering up in the winter months! It's made from a soft and stretchy ring-spun cotton material.

The softstyle fabric has a high stitch density creating a smooth surface. It's an excellent base for direct to garment printing so you can expect great results every time. The material has also been preshrunk to minimise the risk of shrinkage in the wash.

The Gildan 64400L t-shirt has a figure hugging fit and a classic crew neck style. A taped neck and shoulders, plus a side seam construction help the t-shirt retain its shape. Double-needle stitching is used at the collar, sleeve and bottom hems to ensure durability.

Features:

- Preshrunk jersey knit
