Short description:	Instagram photos printed and framed on demand
Long description:	<p>Our Instagram frames are perfect for anyone seeking an extremely affordable framed print option.</p> <p>Although most frequently sold through mobile photo apps, these frames also work well as an cost effective merchandise option.</p> <p>The frames come in 2 square sizes measuring either 12x12" (30x30cm) or 16x16" (40x40cm). Each frame comes with a fine art print, white mount, glass glaze, backing board and is finished with a solid wooden frame.</p> <p>Instagram prints are perfect for single images or a photo montage featuring 1,4, 9, 16 or even 25 images. They are highly giftable, being ideal for capturing special moments.</p> <p>Please note: the size listed for each frame refers to the size of the glaze and does not include the width of the frame. For example, A4 prints without a mount will fit an A4 glaze exactly, but prints with a mount will be smaller than A4 to fit the mount window opening.</p>
