

Lane Seven LS13004

Short description: This sweatshirt has a crew neck and raglan sleeves. It's made from soft and lightweight French terry.

Long description: This popular Lane Seven sweatshirt offers a French terry raglan crew neck style. The soft, lightweight material goes through a three-end process that makes it thicker and gives it more loft.

The French terry has a cotton facing yarn to give a super soft touch. It has a tight knit for an even smoother finish which makes it an excellent base for direct to garment printing. Featuring a raglan sleeve that extends in one piece to the collar and twill neck tape. There is ribbing at the cuffs of the sweatshirt and double needle stitching is used on all seams for durability.
