

Large ceramic mugs

Short description:

Extra large custom ceramic mugs

Long description:

Our 15oz custom large mug is perfect for those early mornings when a standard mug size just won't cut it.

A crisp white ceramic base creates an excellent blank canvas for printing vibrant colours. Your artwork is wrapped around the outside of the mug, extending to approximately 35mm from the sides of the handles and with roughly 1.5cm unprinted space at the top and bottom of the mug.

Our heat transfer printing process creates a bright, durable and glossy print. Our photo mugs are particularly popular for ecommerce store owners looking to offer something that bit different to include in homeware ranges.
