

Lustre photo paper

Short description:	A satin lustre fine art photo paper – delivered rolled or flat, ready to frame
Long description:	<p>Our lustre photo paper is a premium photographic stock with a satin finish, favoured by professional photographers. Its subtle, pearl-like texture adds depth, while supporting deeper colour saturation than matte photo prints. Expect impressive colour depth, strikingly intense blacks and crisp detail – ideal for dramatic portraits and landscapes.</p> <p>All of our fine art photo prints are made using Giclée printing – the gold standard used by museums and galleries worldwide. Pigment-based archival inks deliver smoother gradients, richer colour depth and long-lasting brilliance that won't fade when displayed indoors.</p> <p>Choose sizes from 4x6" to 48x48". UK orders sized 200mm and EU, US and AU orders sized A4 and under ship flat. All other sizes ship rolled.</p>
