

## Metal yard signs

|                                 |  |
|---------------------------------|--|
| <b>Short description:</b>       | Custom yard signs made from aluminium composite with double-sided print  |
| <b>Long description:</b>        | <p>Made from aluminium composite, these custom yard signs are designed to withstand the elements while maintaining crisp, full-colour print quality.</p> <p>Ideal for real estate listings, business advertising and directional signage, they provide a professional, high-impact display that stands out in any setting.</p> <p>Available in one standard size, our metal yard signs are printed on both sides for maximum visibility and feature a horizontal orientation. Each 18x24" sign includes a sturdy black angle iron frame for secure installation, while a smaller 6x24" rider sign is available separately.</p> |
