

Multi photo frames

Short description:

Multi photo prints with classic framing – delivered ready to hang

Long description:

Our multi photo frames make it easy to turn a collection of memories into a single statement piece. Each framed print is delivered ready to hang and can include between 9 and 60 individual photos, printed and arranged as 60x60mm images with a clean 20mm border between each aperture for a crisp, gallery-style layout.

Available in portrait, landscape or square orientations, each multi photo design is produced on our bestselling enhanced matte art paper and finished in our satin-laminated classic frame. Choose from a wide range of frame sizes and eight frame colours, with the option to order mounted or unmounted.

Please note: the size listed for each picture frame refers to the size of the glaze and does not include the width of the picture frame. For example, A4 prints without a mount will fit an A4 glaze exactly, but prints with a mount will be smaller than A4 to fit the mount window opening.
