

Photo tiles

Short description:

Restickable custom photo tiles

Long description:

Create stunning photo walls with these removable print on demand photo tiles.

Our 8x8" wall art tiles (20x20cm) are perfect for creating beautiful mosaic displays. Multi photo frames offer a unique way to display custom photographs or artwork.

Each tile comes with an adhesive hanger so they can be repositioned with ease - your customers will have complete creative freedom! We use specialist adhesive material to ensure that no residue is left on the walls.

Our photo tiles are available framed or unframed. Unframed photo tiles are made from 19mm thick panels with your photographic print adhered to the front. Our specialist adhesive hanger is positioned on the back of the panel. Choose from either a white or black edge.

Framed photo tiles are printed on 5mm foam board and framed with wooden, FSC accredited frame mouldings. They are finished with framing tape and a specialist adhesive hanger. Choose from either a white or black multi photo frame.
