

Placemats

Short description: Personalised placemats

Long description: Great for adding a personal touch around the dinner table, our print on demand placemats are an ideal addition to your home and living collection.

These rectangle custom placemats are made from 4mm thick medium-density fibreboard. Each one is finished with a high-shine gloss and features a cork underside to help protect table-top surfaces.

Placemats can be customised with your choice of artwork, with images printed onto a pure-white base using dye-sublimation technology to ensure a crisp, vibrant colour. Pair with our matching personalised coasters for the perfect dining set.

Please note: colours may appear warmer once printed due to base material.
