

Pure face mask

Short description: Double layer custom face mask with ear loops

Long description: A non-medical face mask available with localised production in the USA, UK, and Australia. This simple mask comes with shorter white straps, ensuring a snug fit on the face.

Produced from two layers of fabric - a polyester and spandex mix - for the optimal comfort with a snug fit. We use a sublimation print process on the outside so that the colours of your design penetrate deep into the fabric of the mask. It's a printing process which guarantees your image or design will not lose any quality even after repeated washing.

Features:

- Two layers of soft polyester with spandex
- Over-ear white elastic straps for a snug fit over mouth and nose
- High definition dye sublimation printing for best quality print finish
