

Skateboards

Short description: Custom skateboards made from 7-ply Canadian maple wood

Long description: Design your own skateboard with Prodigy. Perfect for skate fans and custom merchandise sellers, our skateboards can be customised with any digital image, including artwork, logos, illustrations and graphic designs.

Available to order with or without wheels, each custom skateboard is constructed from 7-ply Canadian maple wood and finished with a grip tape top surface for exceptional durability and performance.

We support all-over printing to the underside of the deck using a digital print method to ensure vibrant and long-lasting graphics. Once printed, we'll dropship your custom skateboard on demand to the delivery destination of your choice.
