

## Spacer frames

**Short description:**

A contemporary twist on the traditional box frame

**Long description:**

The spacer frame has a deep fillet to create additional depth for displaying custom artwork or photographs.

Prints are typically back-mounted, creating a modern, contemporary look. The Spacer uses our solid ash box frame which has a box profile measuring 20mm (front face) by 33mm (depth from wall).

Available in black, white, brown and natural.

Choose from a Float Glass, Perspex or Tru Vue Museum Glass glaze.

Please note: the size listed for each frame refers to the size of the glaze and does not include the width of the frame. For example, A4 prints without a mount will fit an A4 glaze exactly, but prints with a mount will be smaller than A4 to fit the mount window opening.

**Features:**

- Contemporary finish suited to back mounted prints
- Solid ash with hand stained finish
- Delivered fully strung, ready for hanging
- Available in sizes ranging from 8x8" to 36x36"

**Wholesale price:**

From £17.00

**Manufacturing time:**
