

Yoga mats

Short description:

Custom yoga mats with natural rubber cushioning

Long description:

A great addition to any ecommerce lifestyle range, our print on demand yoga mats are ideal for health and fitness enthusiasts.

Each custom yoga mat is made from extra-thick, natural rubber, providing lightweight and comfy cushioning on hard floors. A suedette top layer offers a luxurious feel underfoot, while the grippy, slip-resistant underside ensures stability during transitions between poses. They can also be easily rolled up for taking to the gym or yoga classes.

Prodigi personalised yoga mats support all-over printing to the front of the mat and are dye-sublimated for a sharp and vibrant image.
